

# Doctor of the Day Program

## DOCTOR OF THE DAY FACT SHEET

- Arrival time for the Doctor of the Day is **NOON on Monday and Wednesday** and **8:15a on Tuesday and Thursday**. Please plan to stay until both the House and Senate are adjourned (normally 4 p.m.). You are welcome to stay as long as you like.
- Dedicated parking for Doctor of the Day participants is available on the EAST side of the Capitol Building in a spot marked **Doctor of the Day**. A map is attached for your reference, but the Capitol Police will also be happy to help direct you to the appropriate parking space.
- A **TEMPORARY MEDICAL OFFICE** is located on the **SECOND FLOOR** on the **NORTH side of the Rotunda**. Susan Hollingsworth from OU will escort you to the House Chamber. If the station is not yet open, please go to the desk outside the House Chamber (WEST side of the 4<sup>th</sup> Floor) and request assistance.
- Your Senator and Representative will have been contacted regarding your participation and will introduce you in their respective House during the opening of that day's session. The Sergeant of Arms will assist in ensuring you are at the correct location.
- The First Aid Station is provided as a service to the Legislature and staff. Only primary level care is provided. The station has basic office examination supplies (i.e. ophthalmoscope; otoscope; BP cuff; tongue depressors; band-aides; etc.). Only over the counter medications are supplied (such as aspirin; Tylenol; URI meds; antacids; etc.). Prescription pads are not provided.
- If you are requested to speak in front of the House or Senate Chamber, please keep your comments brief and positive. Avoid discussing any specific legislation at that time. However, as time permits throughout the day, you are encouraged to meet individually with lawmakers to discuss the important legislative issues facing Oklahoma physicians.

**Thank you for serving as Oklahoma's Doctor of the Day!**

**We hope you enjoy your day at the State Capitol.**
