

**Oklahoma State Medical Association, PLICO and
Oklahoma Medical Licensure Board
“Proper Prescribing Update 2020”
Oklahoma City, OK
Thursday, September 17, 2020**

TITLE: “Proper Prescribing Update 2020”

FACULTY: Cori H. Loomis, JD, Christensen Law Group, P.L.L.C.

Cori H. Loomis’ primary focus is on the representation of health care providers with transactional, compliance, reimbursement, legislative and regulatory compliance issues. She also represents other commercial entities in transactional and regulatory issues and advises clients regarding employee benefit and employee law issues. Loomis graduated with special distinction from the University of Oklahoma in 1991 and with honors from the University of Texas School of Law in 1994. Loomis is licensed to practice law in all Oklahoma State Courts. She is a member of the Oklahoma Bar Association, Oklahoma County Bar Association, and the American Bar Association. In 2010, Loomis was listed in The Best Lawyers in America for Administrative/Regulatory Law by U.S. News Media Group and Best Lawyers and ranked by Chambers U.S.A. in Corporate/Commercial: Healthcare. She also received a Leadership in the Law award from the Journal Record in 2010 and was accepted to the Oklahoma Bar Association Leadership Academy in 2011. Loomis was selected by Governor Mary Fallin to the Oklahoma Board of Nursing, for a term started in November 2011. Loomis is involved in charitable and civic activities by serving as a board member of Community Health Charities from 2007 through 2011 and as a member of the Church of the Servant Administrative Council since 2009. She also was elected to the board of Prevent Blindness and began her term in January 2011. She was elected to the Crossing Christian School Parent Teacher Fellowship Board, for a term from September 2011 through August 2012.

TIME: 6:00 p.m. to 7:00 p.m. – 1 AMA PRA Category 1 Credit™

COURSE OBJECTIVES:

After attending the activity, the physician should be able to:

1. Discuss and comprehend new Oklahoma laws related to medical marijuana, e-prescribing and opioid prescribing; and
2. Discuss and understand the significance of increased enforcement activity by regulatory bodies; and
3. Understand the significance of a recent Supreme Court Case impacting anti-referral provisions in managed care contracts; and
4. Understand changes in OCR’s interpretation of “individual access” requirements under HIPAA and how to implement them.

Accreditation Statement:

The Oklahoma State Medical Association (OSMA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The OSMA designates this live activity for a maximum of *1 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Faculty, CME Planning Committee and Reviewer have no relevant financial relationships to disclose. The OSMA CME Manager has reviewed all speaker information and has resolved all conflicts of interest if applicable.

“The Oklahoma State Medical Association has been surveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded Accreditation with Commendation for six years as a provider of continuing medical education for physicians.

The ACCME accreditation seeks to assure the medical community and the public that the Oklahoma State Medical Association provides physicians with relevant, effective, practice-based continuing medical education that that supports US health care quality improvements.

The ACCME employs a rigorous, multilevel process for evaluating institutions’ continuing medical education programs according to the high accreditation standards adopted by all seven ACCME member organizations. These organizations of medicine in the US are the American Board of Medical Specialties,

the American Hospital Association, the American Medical Association, the Association for Hospital Medical Education, the Association of American Medical Colleges, the Council of Medical Specialty Societies, and the Federation of State Medical Boards of the US, Inc.”

This educational activity meets the Oklahoma State Board of Medical Licensure & Supervision annual licensure renewal requirement for 1 hour of education in pain management or 1 hour of education in opioid use or addiction. This educational activity meets the Oklahoma State Board of Medical Licensure & Supervision annual licensure renewal requirement.
