ABOUT THE

Awards

Since 2004, the Champions of Health awards have recognized those making a difference in our communities. From large companies with healthy initiatives for employees, to the individual teacher taking extra time to talk about healthy choices, past Champions of Health nominees, finalists, and winners represent the important efforts to improve the health of Oklahomans.

Nonprofit winners will receive a \$5,000 contribution to their organization or program. All winners will be considered for the highest honor, the Dr. Rodney L. Huey Memorial Champion of Oklahoma Health. The recipient of this award will receive \$15,000.

About the Oklahoma Caring Foundation

The Oklahoma Caring Foundation's flagship program, the Oklahoma Caring Vans, provides access to preventive health services, including childhood immunizations. Through statewide partnerships with American Indian tribes, public health agencies and community organizations, the Caring Vans serve children and families who encounter barriers to care.

Since 1999, the Caring Vans have provided over 370,000 vaccines to more than 223,000 underserved children. To learn more about the Oklahoma Caring Foundation's work to improve the health of Oklahomans one child at a time, visit oklahomacaringfoundation.org.

THE CHAMPIONS OF HEALTH AWARDS PROGRAM IS PRESENTED BY:

**BlueCross BlueShield
of Oklahoma**
