“Protecting Our Health Care Worker’s Well Being: A Three Part Course”
Virtual CME
May 8, 2020**

TITLE: “Protecting Our Health Care Worker’s Well Being: A Three Part Course”

FACULTY: Gerard P. Clancy, MD, Former President of the University of Tulsa

Gerard Clancy, M.D. is the 20th president of the University of Tulsa. His service as president began on November 1, 2016. Clancy is a graduate of the University of Iowa with degrees in biochemistry and medicine, with Alpha Omega Alpha Honors and an American Heart Association Molecular Biology Research Fellowship. He completed residency training as a psychiatrist, with service as the chief resident. He served as a flight surgeon in the United States Air Force with specialty training in aerospace medicine, survival medicine and hostage negotiations. He is also a graduate of Harvard University programs in health policy and management and on-profit financial stewardship. Clancy has published peer-reviewed manuscripts and presented across the world in molecular biology, addiction, chronic mental illness, health disparities and health systems transformation. He has received numerous teaching awards including the 2016 Crimson Apple Award for Teaching Excellence and the 2018 Outstanding Teacher Award by the University of Oklahoma – University of Tulsa School of Community Medicine. In 2017, he received the National Brodie Medical Education Scholar Award. Clancy has been a founding dean of a college twice. In 2008, he led the establishment of the University of Oklahoma – University of Tulsa School of Community Medicine. In 2015, he led the establishment of The University of Tulsa’s Oxley College of Health Sciences. He has led the creation of numerous clinical and education programs including outreach mental health services for the homeless, school-based clinics, the Bedlam Evening Clinics for the uninsured, the Wayman Tisdale Clinic in north Tulsa and Tulsa’s Albert Schweitzer Fellowship. Clancy has been deeply involved in the Tulsa Community. He was the team leader for the Lewin Study, which revealed a 14-year difference in life expectancy between north and south Tulsa. He was also the team leader in discovering a 27-year difference in life expectancy for those with chronic mental illness in the Tulsa region.

TIME: 1:00 p.m. to 1:30 p.m. – .5 AMA PRA Category 1 Credit™

COURSE OBJECTIVES:

After attending this activity, the physician should be able to:

1. Lessons on impact of disasters on mental health; and
2. Understand unique aspects of COVID-19 on front line health workers; and
3. Assist in developing a compilation of best practices to protect clinician well-being.

Accreditation Statement:

This activity is planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Oklahoma State Medical Association (OSMA), Oklahoma Medical Licensure Board, Physicians Liability Insurance Company (PLICO) and Telligen Foundation. The Oklahoma State Medical Association (OSMA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The OSMA designates this live activity for a maximum of .5 *AMA PRA Category 1 Credits™* Physicians should claim only the credit commensurate with the extent of their participation in the activity.

“The Oklahoma State Medical Association has been surveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded Accreditation with Commendation for six years as a provider of continuing medical education for physicians. The ACCME accreditation seeks to assure the medical community and the public that the Oklahoma State Medical Association provides physicians with relevant, effective, practice-based continuing medical education that supports US health care quality improvements. The ACCME employs a rigorous, multilevel process for evaluating institutions’ continuing medical education programs according to the high accreditation standards adopted by all seven ACCME member organizations. These organizations of medicine in the US are

the American Board of Medical Specialties, the American Hospital Association, the American Medical Association, the Association for Hospital Medical Education, the Association of American Medical Colleges, the Council of Medical Specialty Societies, and the Federation of State Medical Boards of the US, Inc.”
